Purchases shall be specifically identified in the annual budget. The Department Head shall obtain two to three written quotations, where possible, and submitted to their respective Committee for recommendation to Council. A purchase requisition is used to initiate the process and a purchase order must be issued. Council approval is required when the purchase is not included in the annual budget.

e. \$10,000 - \$75,000

Upon Council's approval of a Request for Quotation, Request for Proposals or a Tender document, the procurement of Goods and Services shall be obtained following the appropriate process as outlined in this By-Law.

Section 2. IN-HOUSE BIDS

In-House Bids shall not be accepted in the tendering process.

Section 3. REQUESTS FOR QUOTATIONS

A minimum of three quotations (where possible) are to be received. If only one quotation is received, Council may exercise its right to cancel the call for quotations. Quotations are not formally opened in public nor is it necessary to disclose prices or terms at the time of submission. A purchase requisition is used to initiate the process and a purchase order must be issued.

Section 4. REQUESTS FOR TENDERS

Council, in consultation with the Department Heads and/or their respective Committees, shall issue a Tender for all approved projects based on defined requirements (specifications are available to readily compare products).

Tenders require a reply by a designated date and time, signed by a Corporation Officer, authorized to bind the Corporation. Any requested bid deposits, security or bonds must be included with the submission. Replies are delivered directly to the Clerk's Department and are opened at a public meeting. If only one tender is received, the Township has the option of not opening the bid and closing the call for tender.

Each sealed bid received in response to a formal bid request is reviewed to determine whether a bid irregularity exists, action is taken according to the nature of the irregularity.

Upon Council's approval, the Treasurer shall ensure that a by-law authorizing a legally binding agreement is prepared.

The Accounting Department is responsible for maintaining current insurance certificates and WSIB certificates, as called for in the Bid documents.

Identical Tenders

If the Lowest Compliant Bids from two or more bidders are identical in total Acquisition Cost or unit price, Council is authorized to enter into negotiations with the bidders who have submitted the identical prices in an attempt to obtain a lesser price and shall maintain a record in respect of such negotiations. Information pertaining to such negotiations or the manner in which the final price was determined shall not be revealed to any of the bidders concerned. Bid Irregularities

A bid irregularity is a deviation between the requirements (terms, conditions, specifications, special instructions) of a bid request and the information provided in a bid response.

For the purposes of this policy bid irregularities are further classified as “major irregularities” or “minor irregularities”.

A “**major irregularity**” is a deviation from the bid request that affects the price, quality, quantity or delivery, and is material to the award. If the deviation is permitted, the bidder could gain an unfair advantage over competitors. The Administrator, Clerk Treasurer must reject any bid, which contains a major irregularity.

A “**minor irregularity**” is a deviation from the bid request with affects form, rather than substance. The effect on the price, quality, quantity or delivery is not material to the award. If the deviation is permitted or corrected, the bidder would not gain an unfair advantage over competitors. The Administrator, Clerk-Treasurer may permit the bidder to correct a minor irregularity.

Mathematical Errors – Rectified by Staff

The Administrator, Clerk-Treasurer will correct errors in mathematical extensions and/or taxes, and the unit prices will govern. The responsibility for correcting mathematical errors may be delegated to the requisitioning department.

Action Taken

The Administrator, Clerk-Treasurer, the Department Head and Council will be responsible for all action taken in dealing with bid irregularities, and acts in accordance with the nature of the irregularity:

- Major irregularity (automatic rejections)
- Minor irregularity (bidder may rectify)
- Mathematical error (additions or extensions) as above

In the event that the vendor withdraws his bid due to the identification of a major irregularity, the Township may disqualify such vendor from participating in Township quotations/tenders/requests for proposals for a period of up to one year.

Bids Exceeding Budget

In the event that the lowest compliant bid exceeds the budget allocation for the goods, services or construction project, Council reserves the right to either negotiate with the selected compliant bidder or canceling the project in its entirety.

Section 5. REQUESTS FOR PROPOSALS

(including the engagement of professional and consulting services)

Similar to the Request for Tender but usually invitational style. This method of acquisition can be used for any dollar amount and involves the solicitation of proposals when the requirements for goods and/or services cannot be definitely specified, the requirements of the Township are best described in a general performance specification, and innovative solutions are sought. Depending on its terms, the process may involve negotiations subsequent to the submission of proposals on any or all of the specifications, contract terms, and prices.

If required, a list of suggested evaluation criteria for assistance in formulating an evaluation scoring scheme using a standard Request for Proposal that includes factors such as qualification and experience, strategy, approach, methodology, scheduling, and past performance, facilities, and equipment shall be prepared. Department Heads shall identify appropriate criteria from the list but are not limited to the standard criteria from the list. Requests for Proposals are not formally opened in public nor is it necessary to disclose prices or terms at the time of submission. If one Request for Proposal is received, Council has the option of not opening the bid and closing the call for the proposal.

Administrator/Clerk-Treasurer

SCHEDULE 'A' TO BY-LAW NO.

TENDER PROCESS

Tenders will be called for all work, equipment, and materials with a value determined by Council by way of public advertising or invitation bid, as outlined in the Township's Procurement Policy.

The Department Head and the Clerk will prepare a draft advertisement and tender document for Council's review, providing the following information:

- Budget allocation;
- Description of work or supplies; and
- Recommended closing date.

Tender documents may be reviewed by either a consulting engineer or the municipal solicitor, at Council's discretion.

All public tenders will be advertised in either The North Bay Nugget or the Almaguin News, or both, at Council's request. In some instances the contract may be advertised to pre-qualify potential bidders. Pre-qualification of bidders includes the screening of potential vendors in which such factors as financial capability, reputation, qualified staff, equipment management and product quality are considered. After evaluation of responses, only those contractors who are "pre-qualified" are allowed to submit tenders.

Advertisements must include the following information (if applicable): site meeting, time/date/location, contact names for technical and purchasing inquiries, document fee (if applicable), and location for pick up and drop off of bid documents.

The closing date is usually 15 calendar days after date of issue. However, a tender may be closed in a shorter or longer period of time depending on the urgency or complexity of the item(s) being tendered.

Advertised tender packages are available from the Clerk of the Township of Bonfield, 365 Hwy 531, Bonfield, Ontario. The tender fee (if applicable) is paid to the Treasury and information is recorded from bidders as documents are picked up. A copy is available for viewing prior to purchase.

All tender submissions must be addressed to the Clerk, Township of Bonfield, and returned in the envelope provided with the tender package. The Clerk will receive all sealed tender submissions and issue a date and time-stamped receipt.

The Clerk will refuse to accept any tender submission that is:

- not sealed;
- received after the time specified closing deadline; or
- submitted after a tender has been cancelled.

Requests for withdrawal of a tender shall be allowed if the request is made before the closing time for the contract to which it applies. Requests for withdrawal must be directed to the Clerk by a letter submitted from a Senior Official of the company. Telephone requests will not be considered. The withdrawal of a tender does not disqualify a bidder from submitting another tender on the same contract.

Tenders will close and be opened publicly at a time determined by Council and specified in the tender document. Tender results shall be made public by resolution of Council.

Each tender is reviewed, tabulated and evaluated by the Department Head and the Clerk to determine whether a bid irregularity exists, and action is taken according to the nature of the irregularity.

A report initiated by the issuing Department Head and the Clerk shall be prepared for Council's consideration and approval. Following Council's approval, the Clerk shall prepare a by-law to legally bind the Corporation.

**SCHEDULE 'B' TO BY-LAW NO.
REQUEST FOR PROPOSAL PROCESS**

REQUESTS FOR PROPOSALS (RFP's) may be called instead of tenders, by way of public advertising or invitational bid, as outlined in the Township's Procurement Policy:

- When requirements or services cannot be definitively specified, or
- When the requirements or services are non standard or specialized in nature, or
- The cost is only a minor component making up the award.

The Department Head and the Clerk will initiate the RFP process by preparing documents for Council's review, providing the following information:

- Budget allocation;
- description of work or supplies; and
- recommended closing date.

Following Council's approval all public RFP's are advertised in The North Bay Nugget or the Almaguin News, or both, at Council's request. Advertisement must include the following information (if applicable): site meeting time/date/locations, contact names for technical and purchasing inquiries, document fee (if applicable), and location for pick up and drop off of bid documents.

The closing date is usually 15 calendar days after date of issue. However, an RFP may be closed in a shorter or longer period of time depending on the urgency or complexity of the items(s).

The RFP document shall be available from the Clerk, Township of Bonfield, 365 Hwy 531, Bonfield, Ontario.

RFP submissions must be addressed to the Clerk, Township of Bonfield, and the Clerk will receive all sealed submissions and issue a date and time-stamped receipt, if requested.

The Clerk will refuse to accept any tender submission that is:

- Not sealed;
- Received after the time specified closing deadline; or
- Submitted after a tender has been cancelled.

Requests for withdrawal of a RFP shall be allowed if the request is made before the closing time for the contract to which it applies. Requests for withdrawal must be directed to the Clerk by a letter submitted from a Senior Official of the company. Telephone requests will not be considered. The withdrawal of a RFP does not disqualify a bidder from submitting another RFP on the same contract.

Proposals shall be opened at a public meeting on the specified day for registration of bids, or at such time as may be set out in the RFP. Only names of bidders will be made public.

Council shall evaluate all proposals received on the basis of quantitative and qualitative measures. RFP documents may be reviewed by either a consulting engineer or the municipal solicitor, at Council's discretion.

Once an award is made by Council the report recommending an award shall be a matter of public record. RFP results shall be made public by resolution of Council.
